FOR IMMEDIATE RELEASE

LIBRARY GETS PLAYAWAY VIEW® VIDEO PLAYERS

A new library resource will help keep kids busy and parents happy that their young ones are entertained and learning at the same time.

It's called Playaway View® and it looks like a very small television. The difference is this little T.V. comes preloaded with educational program series like Ancient Civilizations, Liberties Kids and American History. Each player comes with hours of programming and parents don't have to access the Internet or download anything. Rechargeable batteries mean no wires to mess with. A full charge should provide up to eight hours of continuous play.

Patrons will be able to check the players out for a two week period. Renewals will not be allowed, and a fine of \$1/day will be assessed each day after the due date.

The library would also like to thank the Corning Area Retired Teachers for their generous donation, which paid for two of the players.
