FOR IMMEDIATE RELEASE

LIBRARY COMPUTER CLASSES OFFERED THROUGH THE WINTER

Computer Basics @ the Library taught by Linda Reimer will begin its next series on Jan. 12, 2012. The classes are taught using the Windows 7 operating system.

Computer Basics will be a 2 part series followed by a separate Internet Basics class. Those who want to learn how to use the Internet do not have to attend the Computer Basics series first. Schedules and class descriptions for calendars are as follows.

Jan. 12 from 6-7:30 p.m. Computer Basics @ the Library Class 1: This class offers starting tips for new computer users including how to turn the computer on and off, how to use the key board and the mouse and how to open and close programs and documents.

Jan. 26 from 6-7:30 p.m. Computer Basics @ the Library Class 2: This class offers tips on changing your wallpaper and screensaver and saving and finding files and documents on your computer.

Feb. 9 from 6-7:30 p.m. Internet Basics: This class offers an overview of internet basics including how to do an internet search and how to bring up websites by their addresses. It is not necessary to attend the Computer Basics classes to participate in Internet Basics.

To sign up for any of these classes call (607) 936-3713 ext. 502. For more details, email Linda Reimer at reimerl@stls.org.
